5. Sew white buttons onto face beak and then sew black beads on top of buttons (Figure 3). OR applique green sunglasses onto penguin instead.

6. Cut 1/4" seam allowance all the way around of penguin and applique to the right half of one of the blue pieces. (Figure 5)

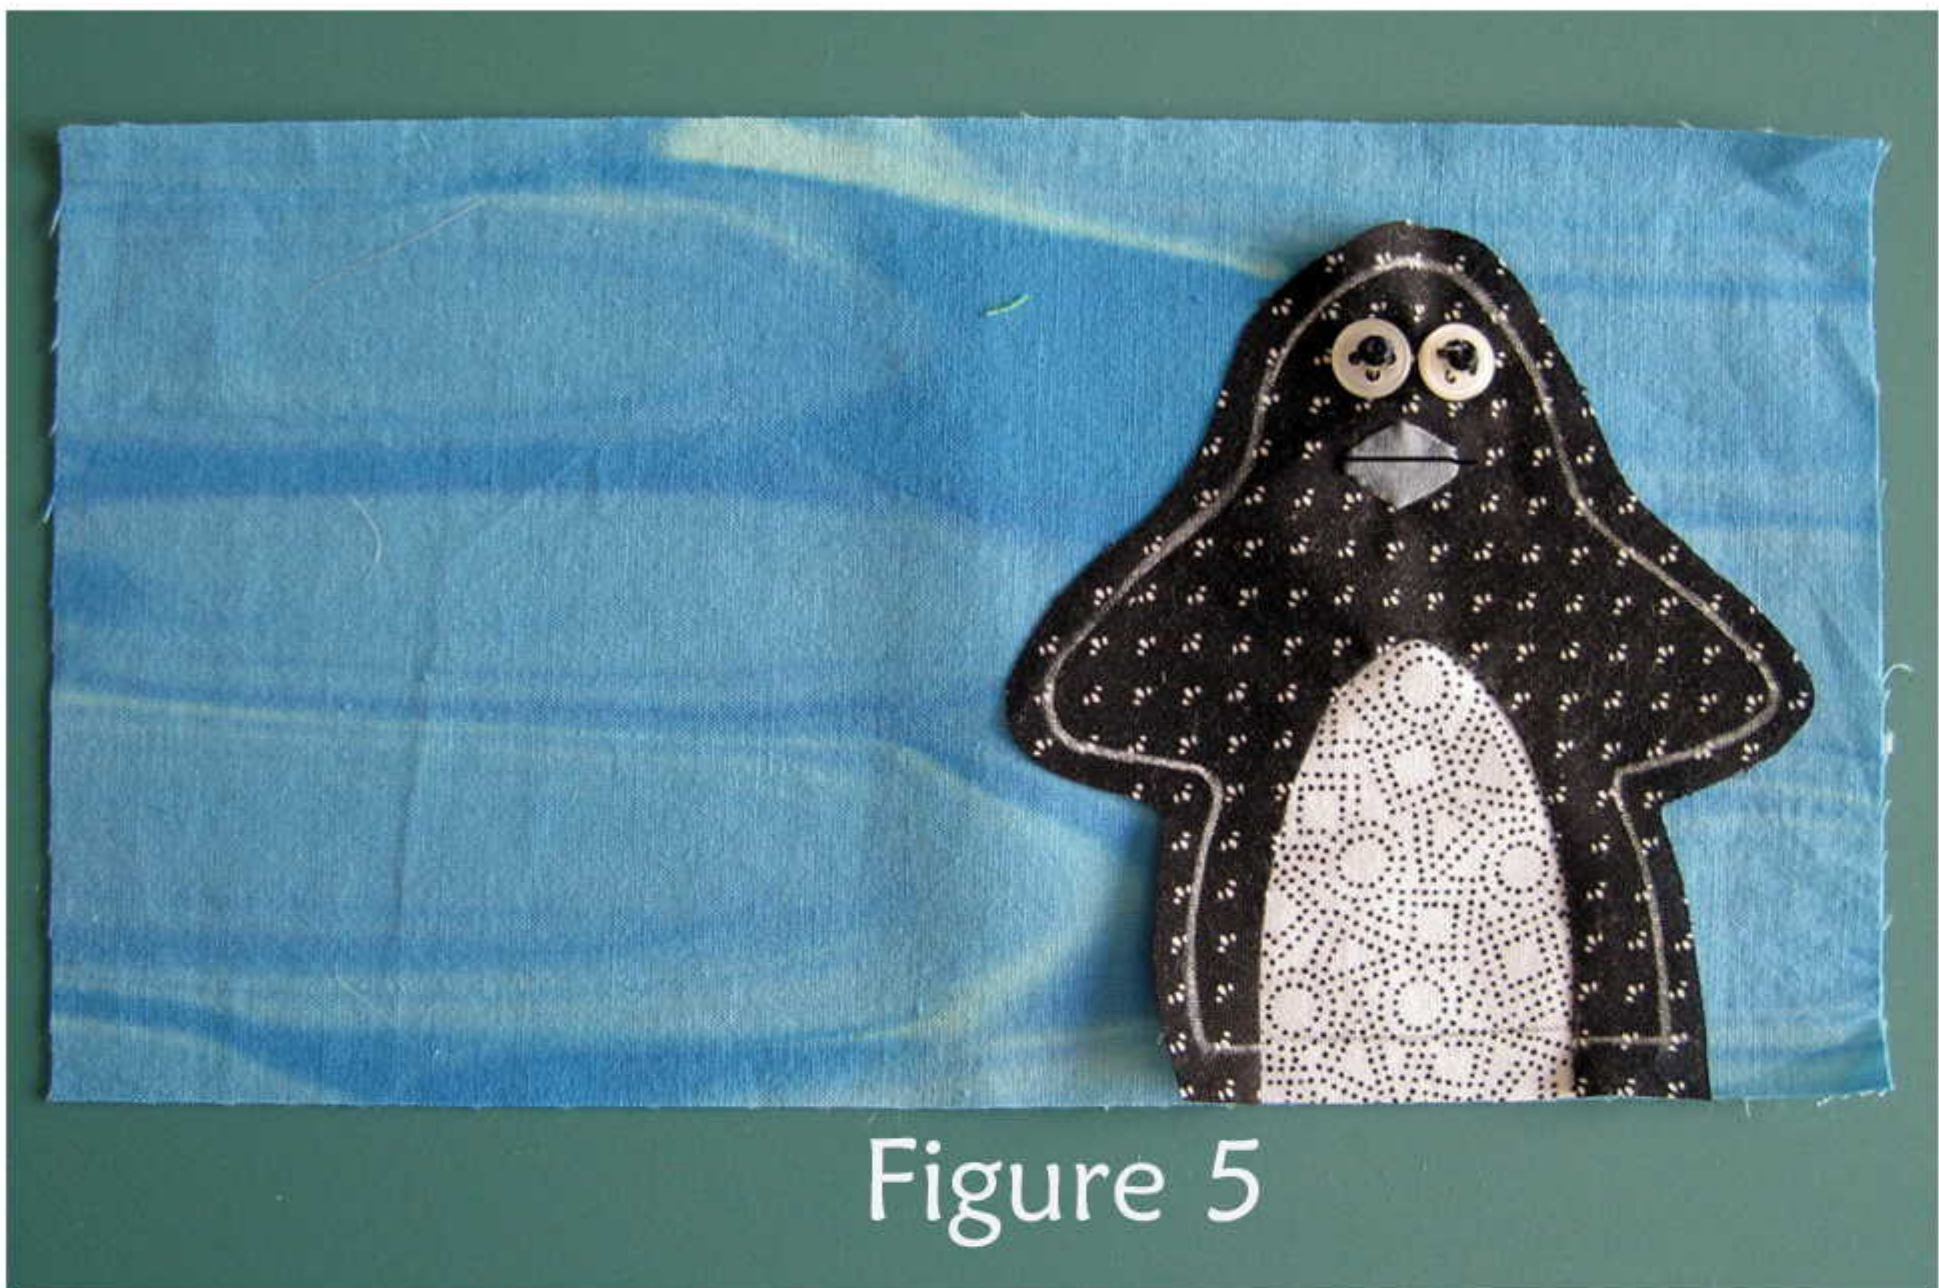

Figure 5

7. Put one blue piece on top of the other (right sides together) and place batting piece of top of the two blue pieces. Sew around all layers 1/4" from the edge leaving enough room open so that you can turn the layers inside out. (Figure 6 and 7). Turn inside out and sew the opening closed.

Figure 7

8. Center the felt piece over the inside piece of blue (the piece without the penguin). Sew down the middle through all of the layers. (Figure 8).

9. Optional--sew a snap to the inside blue layer to help keep the needle holder closed. (Figure 8)

10. Place applique needles in the felt. Now you are ready to applique in style!
