

Introduction

This small quilt is made up of 6 blocks. Each block is named for the design it will contain; sky block, message block, heart flower block, tulip block, buds block, and leaf block. Cut each according to the dimensions listed below and sew them together using a 1/4 inch seam allowance in the order shown by the numbers between the blocks in the diagram. If you are using a silk fabric for the buds block, be sure to fuse the interfacing to the wrong side of the silk before cutting it to size.
